

# Passionate Physician with a Vision

## LEANDRO L. RESURRECCION III, MD, FPCS, FPSPS

The members of the UP community extend their condolences and sympathies to the family of Dr. Leandro L. Resurreccion III, surgeon at the UP-Philippine General Hospital, who passed away on March 31, 2020 due to Covid-19.

Dr. Jun embodied a fiery passion for his profession and with this, a vision to advance pediatric transplant and minimally invasive surgery in the country. After his training in pediatric surgery at the Philippine General Hospital, he proceeded to Australia Royal Alexandria Hospital to specialize in pediatric transplant surgery. He was invited to stay on but he chose to come home.

He practiced his specialty with excellence, dedication, and compassion. Colleagues sought him out for his innovative approaches to difficult cases. Many of the present crop of specialists look up to him as their beloved mentor. He loved healing people and saving lives. LLR III left behind a legacy of kindness, charity, passion, and love. He touched so many hearts and he was able to achieve much along the way.

He was a proud father who reveled in the accomplishments of his children, Jan, Renz, Pia, and Cholo.
